## Friends of Seedtime,

### Changing

Last week Delta Airlines announced they are discontinuing service to Haiti. American Airlines, who had previously reduced flights from 6 to 4 per day, now has dropped to one flight daily.

We have heard nothing from Frantz in the last 2 weeks which concerns us. Typically this simply means he has not had an opportunity to call, text or email. Nevertheless, you are invited to join us in prayer for this.

Friends of ours, the Drydens, who are Haiti missionaries, reported that they are indeed in their Haiti home conducting ministry as usual. We were amazed. They described the situation as a matchstick, ready to go at any time. Their report said prices in Haiti were running 3 times higher than normal. They live in a walled yard next door to their church. They too asked for prayers.

Despite the tragic news they had, the Dryden's next paragraph was quite uplifting. They reported church services going very well this past summer with 2 adults and 87 children coming to Jesus Christ.

Brian's Passport expires in 2020 so we chose to use this downtime to get the renewal done. We sent in the current passport as part of the renewal process. Hopefully we found at least some benefit to sitting on the sidelines at the moment.

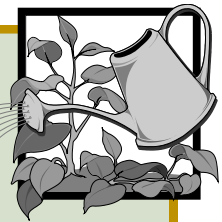

If I am going to be stuck stateside for awhile I would love to begin classes here in Kansas perhaps. Traditionally the Haitians have been the students of our Bible studies and the Americans have been spectators and sponsors. Honestly, I'd like to see Americans immersing in the same class, NOT as spectators.

As we go through our lessons we see a bigger picture, a bigger God and a bigger benefit to a Biblical lifestyle. Something to consider.

**Proverbs 10:23 Doing wrong is fun for a fool,  
but living wisely brings pleasure to the sensible.**

Thankful to God and our Friends.

### Ephesians Chpt 5

Select verses from NIV

- <sup>1</sup> Follow God's example...
- <sup>10</sup> and find out what pleases the Lord.
- <sup>14</sup> This is why it is said:  
"Wake up, sleeper, rise from the dead,  
and Christ will shine on you"
- <sup>17</sup> Therefore do not be foolish, but  
understand what the Lord's will is.

-----

Are we following the wrong leader?

Are we frustrated with God  
because we are frustrated with  
following the church?

Seems that this leads to sleepiness in  
our church and in our lives.
