Friends of Seedtime,

## *You're not full, there's more!*

Two pictures, same truck, in Haiti, March 2020. The front says it is FULL of Wisdom (Sagesse). Above that you can see it says Hakuna Matata (from Disney's Lion King) misspelled as "Afouna Matata" (please hold your laughter unless you have NEVER misspelled anything).

The rear of the truck has Haiti's favorite Bible verse, Exodus 14:14.

Kudos to the truck owner for promoting wisdom and scripture. **HOWEVER, please put the pieces together.**

**Hakuna Matata** = No Worries.

**Exodus 14:14** The LORD will fight for you; you need only to be still."

The Bible verse clearly has a "no worries" theme... God will take care of it for you.

What the truck owner suggests to be FULL Wisdom is lacking half of the story.

**Do you care?** Would you help him discover the complete story if you could?

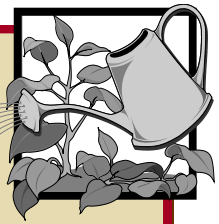

We at Seedtime would tell him. Find the right time of course and find the best words you can find. But tell him the whole story. **Help make his Wisdom Full.**

Life is not *exclusively* about being still and letting the Lord fight for you. In Exodus 14 verse 15 God seems to be urging Israel into action. Yes, the very next verse after telling them to stand still God says to get moving. It's a good place to begin if you don't know how to start the conversation.

Haiti is still closed for commercial flights into their country. Coronavirus has come to Haiti. Our friend Frantz has reported a growing number of confirmed cases and just a few deaths. He is rather stressed by the number of people who fail to grasp any need for social distancing and a lack of direction from Haiti's government. Frantz and his family are doing fine. Haiti however is at the beginning stages of the virus.

Thank you for thinking of Haiti and our ministry at this time.

**1 Thessalonians 3:10 (ESV)**  
as we pray most earnestly night and day that we may see you face to face and supply what is lacking in your faith?

Apostle Paul had a heart for God's people that we can not quite fathom. He understood what to say, when to say it and was willing to do so much for so many.

It makes our actions seem rather pathetic, as we wait for Haiti to open back up and resume our discipleship Bible seminars.

But that is where we are.

Please feel free to pray for Haiti and for us to be more like Paul.
