Friends of Seedtime,

A little too little success With man and money at the helm.

A one page report about Haiti missions... it is more attention than Haiti would normally get from someone in America. So we appreciate your time as you read our message.

At this moment, Haiti is like much of the rest of the world... keeping a close eye on the coronavirus. A mere 219 cases reported in Haiti so far but with such poor methods of testing and reporting, big jumps in this number are expected. They are still closed to commercial flights, so ministry trips into Haiti are impossible for the moment.

Just prior to the virus surge across the globe, Haiti was struggling, as usual, with rioting in the streets as the people try to oust their current president, yet another economic crisis with gas shortages commonplace and a government unable to hold elections so leadership positions lie vacant. And more recently the Haitian police are protesting violently in the streets of Haiti.

With crisis after crisis it is difficult to get America's attention.

Police, being more of the problem than the solution these days in Haiti.

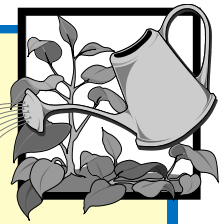

But if you are going to know how to pray or when to give your time or finances you need a little information.

We at Seedtime are aware of many of Haiti's problems, and **we are not hopeful** that more money or a new set of rules by a new governing body will solve much for long.

Rather, we prefer a serious look at implementing counsel from God's Word. Even (Heaven forbid Myrtle!) "Old Testament" advice like 'begin with what you already have' from 2 Kings 4:1-7 for example.

Implementing Biblical concepts seems rare even within the ministry ranks. But perhaps, after seeing so much failure, trying tons of money and man's newest ideas, maybe we can try promoting Kingdom currency, blessings through obedience. We've been promoting that for a long time at Seedtime. Please join us. And thank you to those who have already been walking with us.

Thanks for thinking of Haiti and our ministry at this time.

Kingdom Currency??

Deut 15:4-5

However, there need be no poor people among you, for in the land the LORD your God is giving you to possess as your inheritance, he will richly bless you,
⁵ if only you fully obey the LORD your God and are careful to follow all these commands I am giving you today.

Blessings through obedience?

Nah, it's not really a thing, is it?
