Friends of Seedtime,

## Are We Okay?

This phrase seems to place us, you and me, at the center of the universe. Are we happy? Did we have a good day? We assume it's all about us.

Now change the phrase just a bit: Are we okay... to pray ...for Frantz?

We always retain the option  
to keep ourselves at the center of things.

***And, we also know***

we always have the option  
to voluntarily choose to place the focus on someone else.

So we ask, please place Frantz Pierre Louis, our messenger of the day, at the center.

Are we okay to pray for Frantz?

You see, Frantz is about to begin teaching a series of bible study conferences in Haiti. There are three different churches (Eglise), one per week, 4 days each time.

1. Eglise Apostolique de Jesus-Christ, **Sept 7-10**
2. Eglise Evangélique Parole Vivante at Trois-Rivieres, **Sept 14-17**
3. Eglise Evangélique Memorial in Cassave, **Sept 21-24**

### **Proverbs 25:13**

Like a snow-cooled drink at harvest time  
is a trustworthy messenger to the one who sends him;  
he refreshes the spirit of his master.

We know Frantz as a trustworthy friend and messenger. But we also know Satan works unceasingly to destroy every good thing.

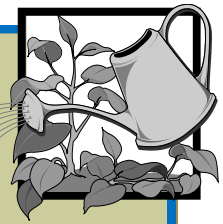

**So, this week, this month,  
please voluntarily place Frantz  
in the center of God's attention.**

It is the best way Friends of Seedtime can help us in discipleship ministry to Haiti.

Thank you for your attention to Seedtime's discipleship work.

Blessings to you and yours!

### **Proverbs 15:29**

The LORD is far from the wicked,  
but he hears the prayer  
of the righteous.

Don't forget, there is  
an effective way to pray  
and  
a much less effective way.
