Friends of Seedtime, Surprise!

Frantz reported more about the Bible study he conducted Sept 7-10th 2020 in Port-de-Paix, Haiti. He had 15 students begin the class and 12 complete it. And while the numbers are always something we follow they are not the most important piece of data.

Something we do like to see... what Frantz saw in this group.. is that they were **surprised**. And you say, so what?

The kind of people who take our Bible seminar are typically dedicated church members, those who have already heard a hundred sermons and read at least some of their Bible. Yet Frantz said this group was surprised. Why?

It is common in Haiti to imagine that the poverty situation requires God to make allowances. They'd say His Word does not mean what it actually says.

Then we simply stand before our students and say the opposite, that God actually does mean what he says about money management and in all issues of His Word. In regard to spiritual things Haiti can agree with us, but regarding money... cash money, it is simply amazing to them that we say such things.

They are surprised ...and then the best part... they stay to hear more.

Frantz reinforces the idea that God has no errors in his Word. It is his perfect counsel to us. And we read on together for days.

Student comments after the seminar revealed that many saw the difference and were anxious to go home to make immediate changes.

It is times like these where folks grow their understanding of God's way and choose to stay in the conversation to learn how to apply it. It looks like Frantz just got 12 more on their way.

We are proud of Frantz and so very happy you can share in this discipleship with us.

Thank you for praying and supporting Seedtime as we get the job done one group at a time. Please share our work with others.

Blessings to you and yours!

At Eglise Apostolique de Jesus Christ (photo below), students are reading some of the 450 verses in our book, in what looks like the most comfortable chairs we remember seeing in Haiti!

Frantz definitely found an upgrade in classrooms with this church in Port-de-Paix, Haiti!

Seminars for Sept 14-17 & 21-24 both got postponed. Frantz is busy working out new schedules while we are pressing him to complete reporting on the 1st seminar. Yes, Frantz is anxious to teach. Who can blame him!
