Friends of Seedtime,

In No Special Order?

#1 We know that Frantz and his family are safe after Haiti's 7.2 Earthquake Aug 14th. They are quite far from the epicenter, Frantz on the north coast and the earthquake on the southern coast. Haitian friends of Seedtime who live in the south closer to the epicenter are also doing well. The latest numbers we have seen of those affected are: 2200 dead, 12,200 injured.

#2 Haiti is being watched to see if they can make gains in controlling gangs, organizing a Presidential election and responding to the earthquake. Any one of these challenges is big enough ... so lets just say Haiti needs a lot of prayer.

#3 Seedtime's supplies have been ready to go for awhile, but the Haitian shipping boat is asking us to wait until the next boat in September. The bulk of supplies are 92 Bible study books and over 500 Bible reading calendars. It seems like a miniscule topic compared to the major events listed above. But you sense what we sense... that Spurgeon was right... **"A Bible that's falling apart usually belongs to someone who isn't."**

#4 Frantz is teaching in Haiti with two churches planned for September. Last Sunday Brian had the privilege of teaching at a church in Kansas with the same materials used in Haiti. And this Sunday, Aug 29th Brian and Laurie get to make another presentation of Seedtime's work at a missions day church service.

#5 With so many places around the world falling apart, not many people consider the implications of what Charles Spurgeon said... *take a minute to go back to #3 and read Spurgeon's quote again.*

Not just Spurgeon, but look at what God tells us in the Bible...

ADVANTAGE PSALM 119:98-100

Your commands are always with me
and make me wiser than my enemies.

⁹⁹ I have more insight than all my teachers,
for I meditate on your statutes.

¹⁰⁰ I have more understanding than the elders,
for I obey your precepts.

ILLUMINATION PSALM 119:105

Your word is a lamp for my feet, a light on my path.

Do you like Advantage or Illumination? Both sound good to us!

Shhhh....Then maybe there *is* a special order.

Thank you for remembering our discipleship efforts.
Blessings to you!

Your financial support is appreciated

We *can* ship relief packages in
after trouble comes.

We *should* send Truth in
before trouble comes.

Thank you so much
for the
faithful few who
make our
shipments happen.

John 17:17 Sanctify them by the
truth; your word is truth.
