Friends of Seedtime,

Promising days ahead for Haiti

If we can get them to start.

Prayers requested.

Frantz has announced a new set of Discipleship Bible studies in and around Port-de-Paix (PdP), Haiti.

Glory of Jesus Christ Church March 31, April 1st and 2nd

Church of God Siloam April 4th-6th

Church of Jesus Christ April 7th-9th

The most difficult part of these studies is getting them started. We have reached this point many times... setting a schedule with a local church and their leadership. However, keeping the schedule is what we would ask you to pray about.

Haiti is famous for having a major disruptive event almost as often as a sunrise. Even on a clear day some Pastors see fit to cancel classes at the last minute for seemingly little reasons. Yet, once classes start, the people are eager to continue for the full seminar, approximately 15 hours.

Of course pray that Frantz delivers the message properly. Of course pray that Satan does not steal away the good Word that is taught. But getting started is where we see problems.

Your prayers are requested.

If you are already praying, thank you.

If you are already giving so Frantz can continue conducting these seminars then again, thank you.

If you are doing one of these without the other, giving without praying or praying without giving, then consider if God is satisfied with your effort.

We are perfectly happy with your participation as it is, if you are where God wants you to be. For your sake, see if you yourself are growing at the same time you are assisting us in building disciples.

God is gracious and his door is open.

Blessings to you.

Proverbs 27:17

*As iron sharpens iron,
So one person sharpens another.*

If you read
even a bit of the Bible
you will know that
the iron mentioned above
is severely dull and bent
... both pieces...
each one benefitting
from the interaction.

Don't miss out on a good scrape!
