Friends of Seedtime,

The Days of Steady Plodding

In case you missed it, Frantz says he has recovered from the motorcycle taxi accident he suffered in early April.

Thanks to all who prayed!

Frantz announced the next Discipleship class in Port-de-Paix at the Church of God Ephesus on May 17, 18 and 19.

Frantz is still working on a group he hopes to teach June 1,2 and 3. It takes awhile to get these scheduled. It is rarely a windfall, but more like a day to day effort, or what we call "steady plodding". Until they actually sit through a class they are reluctant to invite Seedtime into their church. Prayer is requested.

Remember that Frantz is offering these groups a 15 hour Bible study for about \$2 US dollars each.

It comes with a book of Bible verses in their language. He offers no food, no drink, no diploma. No sponsorship or gifts.

In a country where many missionaries give things for free plus add on gifts and sponsorship, this is not an easy sell. Indeed few are ready to sign on to our study. Frantz now gets the privilege of wrestling with that challenge.

But those who sign on have yet to request their class fee returned though we offer it each time. We are well into our second decade of happy students.

We could eliminate our class fee or add a luncheon for the students to increase the number of classes and students we report to you. And we have tried that over the years. But something about challenging people has produced the better students.

In his last class, Frantz not only received the student's fee, but they sent him home with a sack full of mangoes, Haitian lemons, a banana and peanuts. Not bad for a group that initially thought to not attend.

Thank you for allowing us to be a part of these great days of discipleship!

Blessings to you.

Frantz is pictured outside of a church in St Louis du Nord, Haiti. Sorry, but Frantz doesn't take many photos of himself so this is still our most recent photo of him.

Proverbs 21:5

The plans of the diligent lead surely to abundance, but everyone who is hasty comes only to poverty.

This verse is sometimes summarized as "Steady Plodding Wins".

In class Frantz will discuss various business ventures including the local gambling/keno shops where minimal planning and minimal diligence is required. Then we let the students fill in the stories of how they acted hastily, losing all the money they had.

Yes, they basically teach themselves.
