Friends of Seedtime, Radio Time Continues

Frantz is getting a bit of attention from the Haitian radio stations.

He was one of 4 people invited to speak about mothers recently at Manacee FM in the last two weeks. He described the feedback he received as "awesome" saying that he took the issue of Motherhood into 'Mother's opportunity to teach her children biblical concepts'.

This past Wednesday he was on Radio Bethany 94.3FM where he was given 30 minutes to describe the Seedtime Bible study.

Then yesterday, June 3rd he was back on Manacee FM to again speak about the Seedtime Bible study.

Next Friday afternoon he is invited to do a one hour interview for Holy Ghost FM. This particular radio station is about 1 hour or more south of Frantz and is still experiencing kidnappings by the gangs. Thus, both Frantz and the station agreed it was better to do the program via phone.

Twice in the last 2 weeks Frantz preached in nightly church conferences. And lastly, he is still working with churches to secure future Bible studies. Given the radio exposure we expect there to be a few more Bible seminars to schedule or at least a few that are already scheduled that will not be canceled last minute by the Pastors.

With that amount of activity, Laurie has been busy printing, cutting, folding Bible reading calendars for shipment. Hopefully we ship books and calendars and related supplies to Frantz this June for a July arrival in Haiti.

It is a bit rare to see so much activity in Haiti but we are thrilled. Seems God is opening our door **W I D E**.

Thanks for walking along with us in prayer and financial support.

Blessings to you from all of us!!

P.S. June 4th is Frantz' 38th Birthday.

Hopelessness

And I will say to my soul, "Soul, you have ample goods laid up for many years; relax, eat, drink, be merry."²⁰ But God said to him, 'Fool! This night your soul is required of you, and the things you have prepared, whose will they be?'²¹ ***So is the one who lays up treasure for himself and is not rich toward God.*** Luke 12:19-21

Business going well? Harvest extra big this year? Sounds delightful!

But God warns us heartily.

What seemed like a winning moment turned ugly. Regardless of the riches involved, taking our eyes off Jesus, to know, love and serve him... is a ticket to hopelessness.
