## Friends of Seedtime,

**Will you cancel (sacrifice) part of your schedule please.  
We are asking for 23 minutes extra today.**

Not because we have the perfect video to watch, we don't. But it is good to hear what we do and why we do it. Mulvane Christian Church in Kansas had a Missions Sunday on August 28th 2022 that graciously included Seedtime. **Our part lasted 23 minutes**, beginning at the 55 minute mark.

The last few weeks our Haitian friend and co-worker **Frantz has been very sick and is now feeling much better**. He had weakness and pain in his right hand, back and hips including diarrhea and vomiting. He went to doctors twice and did not get a decent diagnosis, nevertheless after much sleep he is almost back to normal. Prayer requested.

---

Frantz had several requests to speak on **Haitian radio** and got tired of being unresponsive so we think he forced himself out of bed. He did get to speak for 20 minutes last Wednesday and has 5 more dates set to speak on-air this month.

---

Frantz was fruitful getting **Discipleship classes scheduled** while bedridden. He has 4 different locations set for the remainder of this month. It's a tall order even for a healthy guy. He has 8 more groups scheduled in the last 3 months of 2022. Many often cancel so please pray for the classes to actually get started.

---

Frantz told us that Haiti's government ordered two **cargo vessels**, including the one we use, to go to the port at the capital Port-au-Prince. We hope it is simply intimidation and not a long term change to shipping practices. Retrieving our supplies from Port-au-Prince would dramatically affect our access or cost or both.

---

We mentioned in our last Newsletter that we are taking up an offering for a **Christmas bonus for Frantz**. If you want to give something please write "**Seedtime**" in the check memo and "**Frantz**" *on a separate note added along with your gift*. We will provide Frantz with the bonus in December. Thank you to those who already sent a gift for Frantz.

Thank you for remembering our discipleship efforts.  
Blessings to you!

## We added to your already busy day today.

It is intentional. The work of Seed-time has great value to many.  
Maybe for you too.

Admittedly, reviewing Seedtime's work is not a better use of time for everyone.

But do be on the alert to the "better" tradeoffs that need to be made each day if you want to grow.
