Friends of Seedtime,

Up on the pulpit of a 3rd world Christian church...

Seedtime's Frantz Pierre-Louis laid out 46 Bible study books.

38 students came and paid the equivalent of \$1.55 each.

They sat in their modest church for a 15 hour Bible study over 3 days.

The book they paid for holds over 400 Bible verses. Plus, we gave out 120 Bible reading calendars.

The class had 1 Pastor in the group, 4 students were teachers in their church, 4 were teachers at their local school.

And how many of the 38 students in this one church had read the entire Bible?

Zero

Including the Pastor in attendance?

Zero

That Pastor could be condemned for being a part of, not one, but 7 churches in Haiti, yet not having read the Bible for himself even once. He was honest enough to admit it and is working to correct that.

We are discipling people who need help discipling those around them.

And... Nov 1,2,3 2022 was big for 38 folks... plus whoever they meet!

Elisnord: I'd like to share this with others.

Luckson: I wish I'd heard this before!

Willy: More people need this teaching... a lot of people are in error.

Ritchy: You came too late with this seminar.

Bernanthe: I hope to be able to teach others the good way.

Thank you, Seedtime Friends, for standing with us in ministry.

Blessings to you!

Proverbs 23:23

Buy truth, and do not sell it; buy wisdom, instruction, and understanding.

The crisis in Haiti has more Haitians openly asking for money. We see more missions asking for money on their behalf.

For us at Seedtime we've noticed more people asking us to bring them wisdom, not money. Now, Frantz is running out of Bible study books.

We are shipping some soon. The poor of Haiti are paying a small part. Please pray about helping them get the wisdom they're asking for.

Make money a tool and not a master. Use money to buy wisdom.
