## Friends of Seedtime,

### Ready and waiting for the crack

- Gangs have stepped back, reportedly having left Port-de-Paix (PdP)!
- People in PdP have stepped outside once again!
- Haitian schools are still not open but gas prices have dropped to 20 US dollars per gallon, down from a high of 40 or more.

Frantz was ready and waiting when the door cracked open. People were ready for discipleship teaching once again and Frantz was there! Your support kept him available for this moment.

As the people felt safe to go outside Frantz starting scheduling classes.

- Radio Formidable program Oct 31st COMPLETED
- Apostolic church discipleship class Nov 1,2,3 COMPLETED
- Radio Bethany program Nov 2 COMPLETED
- Church of God discipleship class Nov 14, 15, 16 SCHEDULED
- Community of Jesus discipleship class NOV 21, 22, 23 SCHEDULED

We can pray for the peace of Jerusalem but thank you for those who prayed for the peace of PdP!

We are thankful for the crack in the door, for Frantz' willingness to be there, for your support so he CAN be first in line when the opportunities come. We are thankful for God opening doors to the radio stations this year, a critical time for people to get inspired and edified even when they are hunkered down in their homes.

Everyone had an opinion

Numbers 32:10-12 And the LORD's anger was kindled on that day, and he swore, saying, <sup>11</sup>'Surely none of the men who came up out of Egypt, from twenty years old and upward, shall see the land that I swore to give to Abraham, to Isaac, and to Jacob, because they have not wholly followed me, <sup>12</sup>none except Caleb the son of Jephunneh the Kenizzite and Joshua the son of Nun, for they have wholly followed the LORD.

Elections are coming soon in America. Select carefully. Like it or not, God already has **his standards** by which you will be rewarded... or not. Do you know His standards? It will make your vote choices clear.

Blessings to you!

### God has something to say about that...

A couple months ago Frantz saw an ad for a Finance group meeting in PdP. Turned out to be a group pooling money to make small business loans. Frantz gave them a scriptural basis for how to handle money. Several in the group were very interested in his teaching.

Who knew that God had so much to say about how we handle money!?

God loves prosperity. And he knows how to get there... even better than a multitude of human counselors.
