## Friends of Seedtime,

### Mother's day thoughts...

3 John 1:4  
I have no greater joy  
than to hear that my children  
are walking in the truth.

Agree? ... seeing your kids walk in truth.... *that* brings great joy?  
If so, then please tell your story.  
Don't hide your testimony under a lamp.  
Put it out there.. how you tried finding great joy like everyone else  
and where you finally found it.

Still too humble to speak up?  
The woman who lost one of her coins, in the parable told  
by Jesus, called her friends and neighbors to rejoice  
at what she searched for and finally found.

And when she finds it, she calls her friends and neighbors together and says,  
'Rejoice with me; I have found my lost coin.' Luke 15:9

There are many in this world who want to hear where great joy can be  
found. They are searching in so many of the wrong places.

**If** you agree with 3 John 1:4  
**Then** share that wonderful news.

Mom.... You're up first!

### Update on Seedtime's work in Haiti

Frantz has another 3 day Bible study seminar scheduled for  
May 18, 19, and 20th.

Frantz is conducting "movie nights" for students who would not be  
drawn into the full Bible study. They get an hour or two of Crown  
Financial Ministries' God Provides films along with short  
teaching moments afterwards.

FM Radio stations in Port-de-Paix, Haiti keep calling Frantz and  
he keeps accepting. We are blessed to get this free radio time  
each week to teach God's Word on-air.

Frantz and another friend in Haiti has said the citizens of Haiti are  
pushing back hard against the gangs that continue to rule much  
of the capital city and other parts of the country. Those citizens  
have killed hundreds of gang members sometimes with the  
help of Haiti's Police force.

Plenty to pray about.  
Thank you for walking with us in discipleship of Haiti.

Blessings to you!
