Friends of Seedtime, It's Toxic It's Formidable It's Frantz on the Air!

And...

It's Clean, Holy Ghost,
Bethanie, Melody and
Manacee.

They are all **FM Radio stations** in Haiti that
have called Frantz to come speak.

Most of them have called
multiple times and the list
just keeps getting longer.

Maybe gang activity limits
where Frantz can travel to
teach, but, it seems God had
a workaround already in
mind.

God's Word goes out every
week on several FM radio stations in Haiti
because God opened the door
that we could only hope for.

7 radio stations and none
of them pay him. But
Seedtime pays him and you
make that happen with
your financial support.

The worker is worth his keep,
so we thank you for helping us
keep him going.

1 Tim 5:18

**For Scripture says, "Do not muzzle
an ox while it is treading out the grain,"
and "The worker deserves his wages."**

Frantz does this radio work in addition to
his other Bible studies and church visits.
We are grateful to have him.

Haiti's gangs keep trying.

Frantz received a call last week from
a Haitian man who said he had
kidnapped Frantz' wife. He asked
for \$100,00 Haitian dollars ransom.
Call anyone and she dies he said.
Frantz explained that his phone was
out of battery power and disconnected.
He contacted his wife and learned that
she was fine, visiting a friend. The
supposed kidnappers called back
and Frantz told them that what they
are doing is wrong. Can I pray for you?
he asked.

It was an exhausting day emotionally
and as usual, Frantz handled it much
better than I would have.
