Friends of Seedtime,

Our "Movie Night" Is NOT a softened message

Lay aside any fear that Seedtime is going soft using secular entertainment to attract students. Our movies are from Crown Ministries' "God Provides" film series.

They are effective at creating interest in our 15 hour Bible study offered to churches in Haiti.

If the generator has enough gas, Frantz will show three 15 minute Bible stories, deliver a brief message and invite the church to come learn more.

We don't use secular enticements to draw crowds. We like to use Psalm 34:8.

Psalm 34:8

Taste and see that the LORD is good; blessed is the one who takes refuge in him.

God's Word carries a Spirit of Truth that attracts a person. When the Spirit draws a student, then we expect a very successful time together.

We are not ashamed of God or Jesus, the Holy Spirit or the Word of God. Rather, we delight in these. In fact, that quality was a key reason we embraced the Crown Ministry training we received years ago.

We invite you to help us disciple more students in Haiti. Your prayer and financial support is a great way to honor and serve God in the great commission.

We are subject to independent financial audits through Shepherd's Staff Ministries (SSM). Check out their website and contact them directly with any questions.

Your financial support is appreciated

Money - a great tool, a lousy master.

Check out 2 Kings 4:1-7 to see an example of money being a great tool but never the master.

We have a very small budget and we go with what we have. But the ministry moves on God's command not on cash. A small offering has now become 100 pounds of teaching materials.

Bible study books and Bible Reading Calendars just shipped again this week:
Kansas to Florida, then off to Haiti.

Thanks for giving, and for praying!
