## READ THE TEXT FOR YOURSELF

Seedtime is routinely engaging in discussions that lead those... who are sincerely curious... back to the Bible.

Frantz Pierre Louis gets this job done in Haiti ... on Haitian FM radio every week.

He also seeks out churches for short format classes and longer 3 day Bible studies.

My favorite is when he informally encounters folks along the road and boldly informs them of some helpful piece of the Bible's wisdom.

When Seedtime is finished, students are motivated to read more of the scripture for themselves.

***If we don't read*** what the Good Book says, it will come to us anyway... in unmistakably large print. It will not only appear, it will enter our houses and stay awhile, long enough to destroy rock and timber.

Zechariah 5:1-4

Then I lifted up my eyes again and looked, and behold, *there was* a flying scroll. <sup>2</sup> And he said to me, "What do you see?"

And I answered, "I see a flying scroll; its length is twenty cubits and its width ten cubits."

<sup>3</sup> Then he said to me, "This is the curse that is going forth over the face of the whole land; ***surely everyone who steals will be purged away*** according to the writing on one side, and ***everyone who swears will be purged away*** according to the writing on the other side.

<sup>4</sup> I will make it go forth," declares the LORD of hosts, "and it will enter the house of the thief and the house of the one who swears falsely by My name; and it will spend the night within that house and consume it with its timber and stones."

### **Did we get what we have in our lives and in our homes by theft or lies?**

If so, the Word of God will drop in for a visit, reminding us of His laws regarding honesty.

If we wait for ***this*** visit, then it will come not just with a Bible lesson, but with a judgement that will destroy us and our house "timber and stones", until it is satisfied.

It has been noted, that the flying scroll is the same dimension as the porch in front of the temple where the Law would be read to all the people.

So, when the flying scroll drops in to check out our possessions, it will offer us one last reading of God's commands before it passes judgement. Honesty is important to God.

Honesty is a favorite topic of our Haitian students. They know the subject is important. But whether we are Haitian or American perhaps the more important question is "Are we dealing with this before God does?"

**Jade Pierre Louis, born Thursday September 21st, 2023**

We have a new member on the team, Frantz told us happily. Jade joins big sister, Gaele, and momma, Elisiane to make a house full of women for Frantz. Jade is doing well, while momma is struggling with depression and high blood pressure. Your prayers are much appreciated.

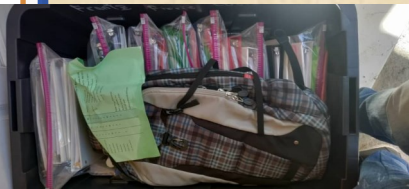

**Bouncing baby boxes!** Identical twins, each about 50 pounds shipped from Kansas August 8th and arrived in Port-de-Paix, Haiti on October 14th. After paying the shipper, Frantz paid another \$4 usd to have a man move the 2- 50 lb tubs of supplies to his Mother-in-law's house where Frantz and his family live. Frantz checked out the supplies against the inventory list and found nothing missing or damaged. Yay! Praise the Lord!

Supplies included mostly Bible study workbooks, a couple backpacks, rain ponchos and some much appreciated beef jerky. It seems Frantz grew a liking for the snack Brian preferred when he traveled!

Seedtime friends like yourself provide prayer and financial support to make these little victories happen. Helping people know and appreciate the Bible is a work worth supporting and we hope to hear from you.

We understand that prayer and encouragement may be your gift. Consider sending a note to us, or better yet, to Frantz at our address, letting him know you are sending God a few words on his behalf. We'll see that he gets your message, whatever it may be.

Thanks for walking with us!
