Friends of Seedtime,

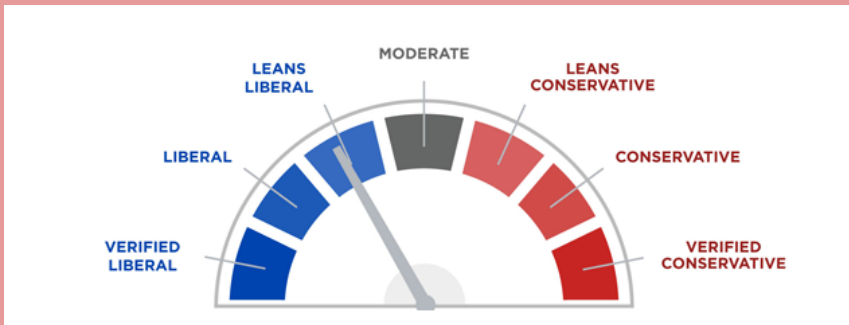

Please Please Please

Accept help... to get ready for November elections

The group at **iVoterGuide.com** has prepared more information on more candidates than ever.

Put in your address and see who was evaluated in your state and local races.

They don't tell you **who** to vote for.

But wouldn't you like to **know who they are** before you vote them into office?

Luke 12:48b

**From everyone who has been given much,
much will be required;
and to whom they entrusted much,
of him they will ask all the more.**

You have been given much: the privilege of voting for your officials. Please do your job well. Only then can we rightly ask those officials to do their job.

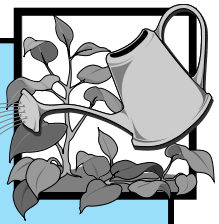

Not every candidate has been evaluated but ivoterguide staff has more depth and breadth of research in 2023 than ever before... nationwide. Please inform yourself before election day.

Or maybe Seedtime and our Friends need to ask Frantz to come evangelize us Americans and teach us how to apply Biblical thinking to our lives.

Thanks for walking with Seedtime and Harvest!

PRIVILEGE

Do you have election privilege?

Ask Frantz.

He and the rest of Haiti hasn't had an election since November 2016.

He's now stuck without a voice.

If a chance to vote comes his way, I doubt that he'd throw it away on a loser candidate.

SEEDTIME AND HARVEST,
COLD AND HEAT,
WINTER AND SUMMER,
AND DAY AND NIGHT
SHALL NOT CEASE."
