**Who did not know that the child was born,
When the Angels of God blew their horn?**

**There has been born,
To you this day,
The promised Messiah,
The Savior displayed.**

**Humble beginnings, a babe yet a King.
An amazing story, salvation he'd bring.
Consider it true? That's too much for me!
Alternative answers is all we now see.**

**I did not hear. I did not see.
I did not know that he came for me.
Not Mama Not Papa said he was born.
To say that it happened leads only to scorn.**

**The story of Santa is first and foremost.
I see no use in your formidable ghost.
Jesus had a good long run,
But the newest of stories is a lot more fun.**

**It's not with your eyes, you look with your heart.
I can't tell you it all, but I tell you in part.
Even with glasses one's eyes remain dim.
Only in brokenness did I get to see him.**

**I AM alive. I AM for real.
John 3:16, that's truly the deal.
I won't wait forever, as a matter of fact.
So, open your ears and take a new tact.**

**Soooo many times he said open your ears.
He calls even today, and he has for years.
You could be born on this very day.
Accept his free gift, it's for you, and you may.**
