Discipleship continues on-air and in the churches in Haiti.

It's a broken record...

- Haiti continues to be a big mess,
- life is very challenging for most every Haitian,
- **yet** Frantz is consistently getting opportunities to both teach and preach God's Word!
Bethanie FM Manacee FM Formidable FM various churches

It is discouraging to list all the ways Frantz gets challenged as he goes about his work. It wearies the body, mind and spirit. Frantz is more resilient than any we've seen, but please do not take it for granted.

Your prayers are requested for Frantz, his family, safety, cooperative Pastors, wisdom for all, basic infrastructure, clean water, health, etc.
It all needs prayer.

His wife is not as resilient as Frantz, so we ask for prayers specifically for her, Elisiane.

2024 Coming Soon!

Ezra 7:10

For Ezra had **devoted himself to the study** and **observance of the Law** of the LORD, and to **teaching its decrees and laws** in Israel.

I hope to play in the snow in 2024, but I'm also planning to be like Ezra.

Which steps are you working on?

Any step is good, just move forward in 2024.

...devoted himself to the study

- Reading the Bible regularly?
- Meeting to discuss the Bible with others?
- Meditating on it privately? Good idea!

...observance of the Law

- Consider what you've learned by studying, but this step is about application.
- Remembering that Jesus fulfilled the law, ask the living God what he wants.
- It's a good time for counsel with believing friends who allow transparency.

...teaching its decrees and laws

- It's not someone else's job, it's the job of the body of Christ. You have a vital role.
- You will never feel totally ready to be a teacher or the lead voice.
- Integrity, humility and faith are important... and need to be kept close.
