## Friends of Seedtime,

Thankful that you are interested.

- You, God, are interested in us, in including us in your Kingdom's advancement
- That Frantz is interested in working so hard to encourage, challenge and teach God's word.
- That Seedtime Friends respond to our work at a time when many people pull at you for your attention.

Discipleship ministry in Haiti is often a mess. We are thankful for the few who step into our world as supporters or as students.

We know our ministry is not fancy in any way. It is however effective, personal and relatable to many folks in Haiti and hopefully in America as well.

Despite the mess, we wish you could see what Frantz gets to see and hear. The Pastors fail the church to get the classes started. The weather fails. The generator fails. And the list goes on. But...once in class, many get excited to learn God's Word.

One student who walked out of a class a month ago, just met up with Frantz on Christmas day. His message to Frantz and to you Friends was that he was no longer fighting with God over the words of the Bible. He'd come to accept scripture as true.

Frantz slogs through a lot of bad situations just to hear something so beautiful from so few.

Invitations for Frantz to teach on Haitian radio has not declined. Sometimes he is on two different FM stations on the same day. Yesterday he was on 3 stations in a single day.

Let it be known that Seedtime is thankful for all of these open doors.

We desire to continue in 2024. And you know the prayer and financial sacrifices that come along with ministry.

And he who wins souls is wise

Thanks for walking with Seedtime and Harvest!

### Psalm 65:4

Blessed is the man You choose,  
And cause to approach You,  
That he may dwell in Your courts.  
We shall be satisfied  
with the goodness of Your house,  
Of Your holy temple.

1. He called us blessed because we were allowed to approach him and dwell with him.
2. he just described contentment ...being satisfied with the provision of God's house.

**2024: Recognize the blessings,  
learn contentment.**
