## Friends of Seedtime,

### Prayer Assignment #1 2024. Specific prayer for space.

Frantz is not wanting and Seedtime is not wanting a building of our own. That has never been on our mind. And it is not now. There are already sufficient locations across Haiti with space to meet for Bible studies. Nothing fancy, just a place to sit out of the sun. Anything more is a bonus.

**We're simply asking you to pray that God would open up spaces freely as needed, so classes can be offered by Frantz all around the area.**

Much like Jesus borrowing donkeys that are temporarily "needed by the master" to ride into Jerusalem, we look for classroom space for a few days that would not arbitrarily close at the last minute. (Matthew 21:3, Luke 19:31)

This request is born out of a sad statistic we have experienced over the years. Probably 2 out of 3 times Frantz has a Bible study scheduled at a church, the church leadership cancels the class for less than stellar reasons.

Perhaps the oddest reason given? Your class is "too good to be conducted for so few people". That Pastor stopped class until he could get more people to attend. The Pastor never called back. He would not allow Frantz to continue and he never called back to reschedule.

So Frantz has been looking for places to use for class.

Frantz will advertise the classes while on Haitian FM radio stations that regularly ask him to speak on-air every week.

Frantz has already talked with someone with school rooms that sit empty in the afternoons.  
It appears promising.

Nevertheless, we are looking for a variety of locations around the city throughout the year. So we seek God's favor regarding the meeting places available to us.

We have never rented rooms. We do make an offering to the host location as a "Thank you", but that is strictly voluntary. The host provides space and we provide the teaching. When the host closes the room, we have no recourse.

We believe prayer will reveal what God desires to provide. ***But we need to ask.*** We will do our best to be content, but first we need to bring our request to him.

Thanks for praying for Seedtime and Harvest!

### Galations 4:18

**It is fine to be zealous, provided  
the purpose is good,  
and to be so always, not  
just when I am with you.**

Frantz loves to meet groups  
and sit to teach.  
He needs a place to sit.  
He is zealous for this.

Prayer helps us sort out  
if our zeal is rightly motivated  
and consistent  
as Apostle Paul cautioned us.
