Friends of Seedtime,

No Pain No Gain
It's the name of the school.

- A school in Port-de-Paix, Haiti called "No Pain No Gain" is allowing Frantz to use it's rooms in the afternoons for free to conduct Seedtime's discipleship Bible study.
- The first discipleship Bible study is scheduled for February 9th.
- Seedtime will promote and control our Bible studies using 3rd party locations like No Pain No Gain to avoid last minute cancelations we've experienced in many churches.
- It does not please us to go outside the Haitian church leadership, but we have been blocked so many times. It is not clear if their opposition is intentional or not. Discipleship finds it's challenges in unexpected places.

Is our "Biblical Finance" class about Money?

Not to teach "Finance", but to emphasize "Biblical".

Ecclesiastes 1:14-15 I have seen all the works that are done under the sun; and indeed, all is vanity and grasping for the wind. ¹⁵ What is crooked cannot be made straight, And what is lacking cannot be numbered.

Whatever the struggle: money, health, relationships, etc. the answers are NOT under the sun.

The broken, misaligned parts of our world are beyond number, and unless we look **above** the sun, we will never straighten anything out.

Biblical: the answer to any struggle, has it's origin "above the sun", is found in readable text, the Bible, that sits in front of us, largely unread.

Let's read!

Shipping supplies to Frantz remains delayed as the shipper tries to cover the last few miles past gangs and muddy roads.

UN Troops, scheduled to arrive in Haiti this January are delayed until at least February. These troops are meant to bring enough security to allow Haiti to conduct elections and resume their own independent control.

Matthew 6:33

But seek first the kingdom
of God and his righteousness,
and all these things
will be added to you.

Somewhere in God's Kingdom
and in his righteousness,
we will find
every good answer
and every good thing.

We do the seeking.
And he does the rest.

Walk with us in 2024!
