Friends of Seedtime,

Ready in and out of season?

Bible reading: God turned something bad into good.

The rather benign story of our shipping tubs getting flooded turned into something good. While most everything was zip-locked and kept dry despite being flooded with sea water, we had 50 Bible reading calendars get wet. So Frantz laid the wet calendars outside to dry.

Wind blew the calendars around the neighborhood and yes, a lady showed up with two of them in her hand, asking to know more about the calendars, and more about the Bible. Of course Frantz answered questions, invited her to his home and gave her the 14 additional Bible calendars she asked for.

Frantz has since bought her a Bible to make sure she had one. Now we get to pray for her and 14 mystery friends to see what God wants to do next. **Obviously, we had no control with this... except to be ready to receive her and put answers in her hand. Ready... in season and out of season.**

Bible Study: Frantz regularly visits churches on Sunday mornings. He presents our discipleship Bible study and draws interest through brief Bible teachings and offering "movie nights" that gives churches a 2 hour taste of his lessons with 15 minute video stories from the Bible.

Just last weekend he did introductions with 2 churches plus held a movie night (photo below) at another. He was very encouraged by their attentiveness and comments. Pastors are getting told by their members to fill up summer schedules with our Bible study.

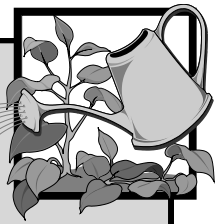

Problem: Haiti's troubles routinely find ways to cancel many of these good moments. **But** I can tell Frantz that we are all praying for success, **right?** One by one, church by church, soul by soul.

Students don't pay for Frantz' time and resources. We, Seedtime Friends, do that. Want to join us? Be ready in season and out of season. **When God moves, let's be there.**

Thank you for walking with **Seedtime and Harvest!**

Matthew 13:19a

When anyone hears the message about the kingdom and does not understand it, the evil one comes and snatches away what was sown in their heart.

Seedtime is sowing good seed.

Will you pray that the evil one is not successful in snatching it away?

Haiti's hard life does this a lot. But we have the tool of prayer to address it.
