## Friends of Seedtime, Keep Reading

Keep Reading... this may be the most accurate summary of the 10 students who completed our long format Bible study.

It went 15 hours over 3 days in June. Most said they found it very useful. But now, they say they need to keep reading.

No, not just our materials but reading their Bibles.

We mentioned this before, but, of the 10 students not a single person had read their whole Bible... and that included the Pastor and 2 deacons. 5 students in all said they were teachers in their church. Wonder what they teach?

So, what did we accomplish in 15 hours?

We achieved a great introduction that made them thirsty!

3 days isn't enough to scratch the surface of God's story. But it did wonders to create a thirst for more. They've already invited Frantz back to teach again.

The Pastor, not in the photo above, did participate each day. Frantz reported that the members made a big effort to attend. They are indeed a young church, he said, but the desire was there. What teacher wouldn't be happy to have that kind of class!

Additionally:

- Frantz continues planning more Bible studies while keeping his schedule for on-air teaching at multiple FM Radio stations.
- There is still much instability in Haiti, however the newly forming government is making some positive steps.

Your prayers and support are important to us.

Thank you for walking with Seedtime and Harvest!

WE COULD, BUT HONESTLY,  
WE DON'T BEGIN HERE...

### Revelation 19:13

He is clothed in a robe  
dipped in blood, and  
the name by which he is called is  
The Word of God.

While we do work to get there, it's a  
bit too much to begin with.

### We start with Luke 16:11

So if you have not been trustworthy in  
handling worldly wealth, who will trust  
you with true riches?

Baby steps inform and encourage.  
It must be working.  
They ask for more.
