## Friends of Seedtime,

### Not What You're Thinking

Frantz continues receiving requests for radio airtime, so we are spending more time preparing content.

"Not What You're Thinking" is the latest idea.

We thought we'd share and get your opinion.

Don't we all get focused on how things are supposed to work, only to remember God is in charge? His ways aren't our ways just like he told us in Isaiah 55:8-9. We get a little re-education every time we start down this road.

Now, we want to create these little re-education moments.

#### For example...

Joshua, with all of his experiences with Moses, thought he could boil it down to... you are either for me or for my enemy. Neither, said the commander of the Lord's Army who stood before him. (Joshua 5:13-14)

Joshua, there's a 3rd party you failed to consider... God. He has a different path than you or your enemy. Clearly you decided against following your enemy's ways, but have you decided to abandon your own ways in favor of God's?

We are talking about a broad theme for Frantz' radio Bible program. "Not What You're Thinking" is one possibility. It sounds ornery, but we want to wet their appetite for doubting their own reasoning in favor of God's, just like Joshua needed to.

Whatever theme comes, please be praying that Frantz does a good job with the airtime he is getting.

#### Meanwhile, here is a little news from Haiti.

Our Bible reading calendars are supposed to be in Haiti by now. It will probably take another two weeks to get through customs and into Frantz' hands.

Haiti's war against gangs is far from resolved. Gangs make advances one day and UN Troops push them back. Two Kenyan soldiers were killed last week.

The money exchange rate in Haiti remains stable, but the price of gasoline increased substantially. It's must be very hard to get gas trucks through the many gang-held territories and into Port-de-Paix.

Frantz and his family are doing pretty well at the moment.

**Thank you for walking with Seedtime and Harvest!**

### Ephesians 4:11-13

- <sup>11</sup> So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers,  
<sup>12</sup> to equip his people for works of service, so that the body of Christ may be built up  
<sup>13</sup> until we **ALL reach unity in the faith** and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

**I guess all means all.**
