Friends of Seedtime,

Increase our Faith!

Luke 17:5 records the disciples asking this of Jesus. Now, maybe I have a poor understanding of the reply he gave, but it appears Jesus suggested that

- 1) they were not needing as much faith as they thought, or
- 2) they were not using the little they already had.

If we had the faith of a single grain of mustard seed, we could do some pretty powerful stuff according to Jesus' reply.

So, do we admit to having less than a single grain of faith?
Or do we admit to not using what faith we already have?

It leaves us feeling rather convicted.

Could YOU use a moment of instruction like Jesus gave his disciples?

This is part of the teaching we have in Haiti. Haiti needs this, just as we do.

Yes, we know it is hard to teach such things all day, so we will switch topics around as needed. But, we love having Frantz on-air so many times a week, PLUS, in front of churches and small groups challenging our Haitian brothers and sisters.

Discipleship Radio Ads

Radio ad #1 began airing June 16th. We will include ad #2 in the rotation this coming week and the 3rd 90 second ad will be heard starting mid July.

Assuming we applied scripture correctly, we have faith that those ads will not return void, but will accomplish the task of edifying others.

- You are praying for us to apply scripture properly, right?
- You are praying that Haitian ears hear and their hearts meditate on it, right?

Thank you for walking with Seedtime and Harvest!

Our new Bible reading calendars

Shipped in March, and delayed multiple times, they are now theoretically in Port-de-Paix, Haiti waiting to be unloaded and reviewed by customs.

Then... as usual, Frantz will hire a man with a wheelbarrow to move them and other supplies to his home.

Frantz works hard to make the Haitian people thirsty for God's Word.

You keep Frantz working when you support Seedtime.

Crosswinds Community Church donated materials and teamwork to prepare the calendars.
