Friends of Seedtime,

Blessed and Increasing 2 out of 3 is actually quite good!

Our last Ministry Update spoke about...

- Our new Bible reading calendars arriving in Haiti.
- Frantz getting more and consistent airtime
- Discipleship Radio Ads flowing over northwest Haiti.

As of today July 11, 2025

Bible Reading Calendars **Situation: NORMAL DELAY**

The boat that was to carry our supplies indeed arrived, but had not loaded our box. Our materials are still in Miami and the new schedule is for arrival later in July. We are a **very** small customer and they are probably taking care of their larger clients.

Frantz ON-AIR over Northwest Haiti.

Situation: BLESSED and INCREASING

Frantz keeps rolling on Haiti's FM airwaves teaching and preaching. And that just increased by one, Radio Voice FM. This station hasn't even decided their format. So far they're just playing Christian music. Frantz was invited for an on-air test.

RTG FM has regular time slots for Frantz every week and his relationship with the station owner is growing. Manacee FM is still in talks with Frantz for him to have a regular time slot. Tele-bouje FM has called upon Frantz several times since his recent recovery from his broken wrist.

Seedtime's Discipleship Radio Ads **Situation: BLESSED and INCREASING**

Our 90 second long Discipleship Radio Ads have been running for a month now and the 3rd of 3 begins Monday July 14th.

RTG reports the ads are appreciated by their audience. Another set of 3 ads is planned for August.

Prayer Concerns

Hardness of heart is our most difficult challenge. Air waves may be full of the Good News, but we humans have a way of letting our circumstances steal that good seed that God plants.

Yes, gangs in Haiti are a long way from going away. By some reports they have gained ground in controlling Haiti despite a variety of government programs to establish security and hold elections before February 2026.

Frantz and his family are all healthy at the moment but the 3rd world environment makes every day a major challenge.

Keep our discipleship work in your prayers.
Support us if you can.
