Friends of Seedtime,

Jesus is our living Hope

But how do we learn to place our trust in Him?

Answer: from scripture... our guide to Jesus until he more fully reveals himself.

Romans 15:4

Whatever was written for our instruction,
that through endurance
and through encouragement
of the scriptures
we might have Hope.

Do you know that we found Frantz was not only well read regarding the Bible, but he also was good at personal testimony. He was the first translator and teacher we worked with in Haiti who was proficient in both.

Isaiah 8:20 To the law and to the testimony!
If they do not speak according to this word,
it is because there is no light in them.

When Frantz, (pictured below at Manatee FM in Port-de-Paix, Haiti), sits in front of the microphone we know he is providing God's word in a fullness not found in every teacher. Scripture is even more rich when accompanied by testimony.

As usual, Frantz continues teaching in churches as well. Frantz will be preaching soon at Pastor Belmar's church.
(Pictured below, Belmar on the left and Frantz on the right.)

His moped is getting a workout and his phone is less of a distraction as it is for most Americans, and more of a key tool for spreading the Gospel.

He could use our help to keep going since none of the groups he serves provide support.

If you can not help now, please begin a small fund ready for a future offering.

Thank you for walking
with Seedtime and Harvest!

Radio discipleship Ad #3 began airing on July 14th. Ads #4, #5 and #6 have been written and are now being edited.

Producing the ads is next in line and then, of course, airing them.

Bible Reading Calendars are available and new ones are on the way to Frantz.

Frantz is preaching and teaching and distributing God's Word as much as possible.

Are you praying for them to bear fruit?

And how about reading the Bible yourself?
R U?
