## Friends of Seedtime,

### Growing or Regressing?

One Pastor updates us after 10+ years.

"Pastor S" recently called Frantz. Typically, contacts are requesting Frantz to come teach or preach in person or on a radio station. This Pastor is a bit different.

Pastor S was asking Frantz for his connections to white foreigners who would support him. What makes this notable is... It's very similar to what we heard from Pastor S 10+ years prior.

I met Pastor S at a conference of local evangelical Pastors in Haiti. He, along with every one of the 20+ Pastors at that meeting, agreed that they could NOT serve God if he did not put something in their hands today. It was a sad declaration of the weak gospel coming from their pulpits.

Now, years later, Pastor S is **not** calling to share a message of faith in God. Nor is he requesting a message **from** God to encourage him. He is still looking for his blessing today.

I understand that feeling, as can Frantz and many others. Ministry resources rarely seem to be enough. We remember the verse: The harvest is ready and the workers few. We get that. But, at the end of the day we trust God to provide as he sees fit. Our request is not the first thing. We serve first and allow God to provide as he chooses.

**Though he slay me, yet will I hope in him. Job 13:15a**

Pastor S had just two testimonies with us over many years. Both were in search of the tangible things of this world. Neither were about the sufficiency of God as Job declared.

**How do you measure your spiritual growth?  
How do you measure regression?**

Frantz is ready and waiting for Pastor S, if he is ready to seek God first.

- Lastly, supplies shipped to Frantz in March might actually arrive this weekend!
- Radio ads #4,5 & 6 are getting rehearsed. Ads #1,2 and 3 are still broadcasting their strong discipleship messages.

Frantz, photo left, at yet one more new FM radio station beginning in Port-de-Paix, Haiti. That's about 16 stations he's been invited to!!

**Thanks for walking with

**Ephesians 6:21 Tychicus, the dear brother and faithful servant in the Lord, will tell you everything, so that you also may know how I am and what I am doing.**

Frantz is laboring daily to maintain the ministry. He is teaching near RTG FM's base station in the countryside of Haiti from Aug 8-11.

He works very hard to achieve the results he has. His family is healthy for now and he regularly mentions how much he appreciates all that we do that allows him to disciple those in Northwest Haiti.

**It is no small thing you and Frantz are accomplishing through Seedtime.**
