Friends of Seedtime,

17 radio stations have now called on Seedtime

Yep, the 17th FM radio station has recently called Frantz to come on over and preach a little.

It's the mysterious ways of God happening for us.

Praise the Lord!

It's hard to imagine this many radio stations around one city. These stations are not linked together. They are independent. And we didn't pursue them. They came to us.

We've had times when we couldn't get anyone's attention for a Bible study. And then how many times did we have a scheduled Bible study canceled or postponed for little or no reason.

Now, we are blessed with a 17th station that has invited Frantz to come teach the Bible on-air. Modern Vision 88.3 FM in Port-de-Paix, Haiti is the latest.

Frantz gets on 2-5 stations per week these days. Some of them he gets on 2 or more times per week.

Just take a moment and thank God.

Frantz has been a wonderful point man, bringing the Word of God to Haiti and it is Frantz these stations keep calling. But do not forget that you, Seedtime Friends, are being used by God to keep Frantz roaming freely to answer these requests.

None of these stations pay Frantz. Seedtime provides that support. Those that help Seedtime in prayer and finance we call Friends. Please give Biblically, not under compulsion, but from the heart.

Frantz is busier than he rightfully should be. He loves these opportunities and he has a hard time saying no. We have asked Frantz to slow down a bit and learn to emphasize his own spiritual preparation time. Running too fast will not serve him well in the long term. If Frantz has a weakness, this may be it.

Please pray about this when you remember Seedtime.
