Friends of Seedtime,

So, who is this Ton Ton Celibon?

The lady in the photo, she just knows she needs to meet the man who spoke to her from the radio.

Ton Ton Celibon (Frantz) is the main character in Seedtime's discipleship radio ads. He is wise and has just the right thing to say to his friend Ms. Margo (not pictured).

Ton Ton means Uncle. Uncle Celibon and Ms Margo spoke together in three different ads from RTG FM radio in the countryside west of Port-de-Paix, Haiti. Those broadcasts repeated over and over on the radio.

Recently, Frantz visited the town where the radio station is based. He soon met a women who came out to see Ton Ton Celibon.

Frantz has all the fun. I, Brian am especially jealous of Frantz getting to meet and speak with all the folks as he does. It is hard to appreciate all that is accomplished spreading

God's Word throughout Haiti when I sit in a supportive role Stateside. Maybe you feel a bit the same as I do.

But, Frantz can't do this without us folks making his path possible. It is the body of Christ that moves the gospel along.

Nevertheless, it is to God's glory that together, we have inspired some to come out to hear more ...more of God's Word.

That, after all, is what is drawing her out. She doesn't know Frantz or any of us. She just knows she needs to meet the man who spoke to her from the radio.

Ton Ton speaks to her in a relatable way, with God's Word as the foundation. We want many more like her coming to ask about those Words they hear.

September 25-27th Frantz ventured to Passe Catabois where RTG FM 104.9 is based. He had tried before, but rain and mud stopped him. This time he made it, speaking in the church and broadcasting live, not as an Uncle or character from the radio, but as a brother in Christ teaching and preaching.

The lights were on in preparation for evening service in Passe Catabois.

Thanks for walking with Seedtime so these moments are possible.

Matthew 13:19a

When anyone hears the message about the Kingdom and does not understand it, the evil one comes and snatches away what was sown in their heart.

Seedtime is sowing good seed.

Frantz has been VERY active in teaching God's Word in Haiti in many places God has opened for us.

Money enables Frantz to make Bible teaching possible, through sacrificial giving by Seedtime's Friends.

and PRAYER IS NEEDED

- Pray James 1:25
- And deliverance from the evil one.
