Topic of the day: How to use a Bible Reading Calendar

Frantz, on Bethany FM this December 2025 (photo right), is teaching his radio audience how to use Seedtime's New Testament Bible Reading Calendar. The calendar is the yellow paper in Frantz's right hand.

He then distributes calendars to those showing interest. 20 calendars went out on this day.

In case you were wondering, the calendars are a collaboration between Crosswinds Community Church donating the paper, Mulvane Christian church donating the printing and toner, and a handful of Seedtime Friends who cut and folded the calendars prior to shipping them to Haiti.

Some of ya'll specialize in providing the funds for the shipping: FedEx to Miami, Haitian cargo ships to Port-de-Paix, and a wheelbarrow man moving the boxes from the boat dock to Frantz. Frantz then hands them out from the various radio stations he is blessed to speak from.

With calendar supplies growing lower, this collaboration began again. We just finished printing another 1000 copies to send to Frantz in 2026.

Now some of you are undoubtedly busy praying that these Bible reading calendars actually get used by the people and begin the trip to "discover the knowledge of God" (Proverbs 2:5b).

Other Seedtime Ministry News

Seedtime's Discipleship Radio ads are playing on RTG FM radio in Port-de-Paix, Haiti now. Ads # 1-5 have been played for weeks and ad #6 is beginning very soon. We plan to write ads #7-9 by the end of December.

The ads have been very popular and two folks have described it as water for the community... saying those who've heard it drank it in and know it by heart.

In addition to preparing more ads ... we are looking at airing existing ads on other FM stations to spread our coverage to the 100s of thousands of people in the Port-de-Paix area.

Our current budget will not support this growth so we will be praying for God's provision in some way.

Face-to-face Bible Studies are still being scheduled by Frantz. However, despite scheduling multiple classes, all but one has been postponed due to weather, weddings, deaths, civil protests and generally poor planning by church leadership. This part has been especially challenging for Frantz. The next Bible study is scheduled for January 7-9, 2026. Thank you for your prayers about this.

Frantz stays in good cheer despite challenges of Haiti missions. @ Bethany FM

Family Health While we were about to say everyone is back to decent health in his family, Frantz has been a no-show with communications these last few days. That never happens without some major (unknown) event and, for that possibility, please pray for their health and safety.

Thank you for walking with us!
