## Friends of Seedtime,

# 3 New Radio Ads ready now to air in Haiti.

Our previous six radio discipleship ads have been aired hundreds of times on two different radio stations around Port-de-Paix, Haiti.

We've received great feedback and Frantz especially was encouraged to hear the people in one village outside of town reciting the ads from memory.

So it was not a hard decision to write 3 more radio spots.

We've increased their length to just under 2 minutes each and are ready to begin airing them on RTG FM 104.9.

Thank you all for help with the process of writing, editing, voicing and producing the 3 new ads through your prayers.

You are invited to continue with bold prayers for fruitfulness as the ads play across Haiti's northern region.

### Speaking of Bold Prayers

Frantz battled Typhoid symptoms for a couple weeks which has been bad enough, but now his daughter Jade is relapsing from what is said to be Acute Glomerulonephritis (AGN) a specific type of Kidney disease.

The complexity of this illness has worn out both Frantz and his wife, Elisiane. Previously, the prescribed meds for Jade appeared to worsen her condition and now they are trying to discern the newest round of prescribed meds. The next level of treatment may require travel to a larger city in northeast Haiti or to the capitol which has major gang issues.

So yes, prayer support is requested.

None of this treatment is for free, however prayer support is first and best as always.

### Radio dialogue snippet

#### How not to be like a demon

**Tonton:** Have you ever seen someone you know on the street, then turned around hoping they didn't see you? That's what demons do. They know God, but they always turn away from him.

**Ms Margo:** Are you saying we get to know him, THEN we must also choose him?

**Tonton:** Yes, we need to choose Jesus to begin a relationship. The demons refuse that part.

SEEDTIME AND HARVEST,  
COLD AND HEAT,  
WINTER AND SUMMER,  
AND DAY AND NIGHT  
SHALL NOT CEASE.”
