Friends of Seedtime, His Timing is Good

God's timing is good when we think it is good. And it is good when we aren't really sure.

As Seedtime's travel across Haiti was challenged by gang violence, God opened up radio stations to us. Frantz stepped into that role discipling listeners in Haiti live on air and has been successful at building up that opportunity with regular programs every week. Those opportunities are all live so when Frantz is sick, he's forced to postpone his program.

Now, God has allowed us to enter the pre-recorded era with radio discipleship ads. Free Church of the Living God in Wichita, Kansas asked us if we could produce some discipleship ads. We said yes and now have begun airing the 7th, 8th and 9th pre-recorded spots.

RTG FM and Bethany FM are both currently airing our ads in Port-de-Paix.

God keeps ordering our steps and we keep finding success. Later when we complain that nothing works and we don't understand, the same will be true... God's timing is good.

These last 2 months Frantz and both his daughters have been sick, severely challenging Frantz physically, spiritually and emotionally. Then the medical bills started coming in. In God's perfect timing London Heights Baptist church sent a check that would cover all those bills.

Timing... God knows what he's doing, even when we don't. It's just much easier to recognize this when we aren't in the middle of the storm.

Psalm 31:15a

My times are in your hands

1. Daughter Jade is still under treatment for Kidney disease.
2. Frantz isn't quite fully recovered from his typhoid.
3. Gaelle is seemingly back to normal.
4. The bills are getting paid.
5. The radio ads are playing daily as Frantz gets time to address his family issues.

Praise God for his work in and around and through us... in his perfect timing.

Thanks for walking with Seedtime!

Did anyone notice?

Early this year we requested prayer for Frantz. He was experiencing both hard challenges AND much success and notoriety in his ministry role.

We often pray in hard times. We wanted to request prayer for the wildly successful times as well... to address ...ahead of time the potential for arrogance to creep in.

Frantz hasn't had 3 family health issues piled on like this before. Coincidence?

Well, your prayers must be working as we've seen nothing but humility and thankfulness coming from Frantz.
