Friends of Seedtime, Yet another hill to climb.

2026 continues to majorly challenge Frantz and his family. You probably know about daughter Jade's troubles with kidney disease. Now, Frantz has fallen down stairs hurting his head and back and breaking his phone. And most recently we know Frantz' wife, Elisiane is also sick with typhoid and/or malaria.

All this, while the gangs in Haiti are trying to extort the phone companies by destroying service towers and lines. So this time we have particularly little information on how any of them are doing.

We've had just two phone texts over 2 weeks with minimal information. Frantz is seeing a doctor and we assume is not in critical condition or the text would have said more. His wife Elisiane sent the texts so we presume she is the least sick of the two.

We remain in prayer for the family to heal. We take comfort in knowing God. The more we live the more we see he loves us, forgives us and heals us, so our hope remains firm.

Please keep praying for Frantz, his faith and strength and for his lovely family as well.

Needless to say, all ministry activities are on hold. Radio discipleship ads however are likely still being aired across Port-de-Paix, Haiti's population and we trust Bible reading calendars are getting good use.

Psalm 103:1-4

Bless the LORD, O my soul;
And all that is within me, bless His
holy name!

Bless the LORD, O my soul,
And forget not all His benefits:
Who forgives all your iniquities,
Who heals all your diseases,
Who redeems your life from
destruction,
Who crowns you with lovingkindness
and tender mercies,

That's the God we know.
The one who seeks us.
The one we can't live without.
