Seedtime and Harvest Ministry

Friends of Seedtime,

Supplies of Bible Reading Calendars arrived 10/24/26 in Port-de-Paix, Haiti. Frantz was patient as his boxes were apparently last off the boat.

Yes, it's a new look for our Newsletters and Ministry Updates since Publisher software is no longer supported. We'll be testing a variety of layouts until we find what we like.

Nothing is changing about our contact information or our mission. Frantz continues diligently discipling Haitians in Haiti in multiple ways. He is on the radio several times a week usually on 2 or more stations teaching the Bible and challenging his brothers and sisters to read more and know more about 'what pleases the Lord' (Ephesians 5:10).

Frantz is preaching and teaching in churches and radio stations around Port-de-Paix, Haiti distributing our Bible Reading Calendars along the way.

Seedtime supports this work through tax deductible donations from Seedtime Friends. Not a single Haitian radio station or church supports Frantz in any of this work. And if we don't do this work, surely God will rise up others who will. There is a reason Acts 20:35 says it is more blessed to give than receive. We want in on it and invite you to do the same with us.

THE BOAT DOCK
In Port-de-Paix, Haiti

The wheelbarrow man got the boxes from Ms Eva (the boat in the picture). We sent the boxes to Ms Eva. You, Friends of Seedtime, provided the prayer and financial support to get these carriers linked. Frantz distributes these Bible Reading Calendars to churches and radio stations.

"While the Earth Remains, Seedtime and Harvest, Cold and Heat, Winter and Summer, And Day and Night Shall Not Cease." Genesis 8:22

NOT TOO OFTEN

DO WE SEE JUSTICE IN HAITI

We're thinking God just smiled on Frantz. Amos 5:13 is interpreted by many in Haiti as instruction to not get involved in other people's disputes. Thus, when a truck hit Frantz' moped recently, it was surprising when not one but 2 witnesses stepped forward, called police and gave a statement against the truck driver. At-fault drivers often run away and get away with it. Not this time. This time police got a confession and took the license and passport of the driver, requiring him to fix Frantz' moped before getting his documents back. Maybe it doesn't seem like much. But this simple bit of justice has been hard to find in Haiti. Can we just say Praise the Lord!

BIBLE READING CALENDARS

1. Those boxes you saw on the front page contained 400 calendars.
2. Frantz just gave away 30 last week.
3. We were blessed to collaborate with 2 churches to print 2000 more calendars that will get folded and shipped to Frantz in the coming months.
4. **Your support and prayers are helping us get this done**.

Did we mention the DISCIPLESHIP RADIO ADS?

1. Nine ads have already played on 2 different radio stations.
2. Four more are being produced now!
