Friends of Seedtime,

Election Time

Indeed it is election time in America. Political surveys, texts, yard signs, etc. **Ugh!** It's impossible to get away from these.

The **1st Election** to focus on is for ourselves... as Joshua challenged us.

Choose you this day whom you will serve... the gods of your fathers or the Lord.

Joshua 24:15 (paraphrased above) is the single most critical vote that ANYONE can make.

After that, may I suggest everyone read Joshua 24:12 to know how victory is actually won.

¹² I sent the hornet ahead of you, which drove them out before you—also the two Amorite kings. You did not do it with your own sword and bow.

We elect people to lead us into battle against evil, but keep in mind who actually does the work that leads to victory.

Lastly, when it is time to vote for your leaders, remember who gave us our right to vote and how important that is. Dishonoring God with your vote would be a tragedy.

The platform of the Democratic party violates most everything dear to Jesus. It is unreconcilable. The Republican party, flawed in many ways, still represents the closest option we have to exercise God's Word.

We know you did not expect to hear from a Discipleship Ministry about your political vote. But God's Word has given each of us counsel in all things. Our Bible addresses finances which is terribly touchy with folks and we also need to speak about choosing our leaders, many who desire to 'Lord themselves over us.'

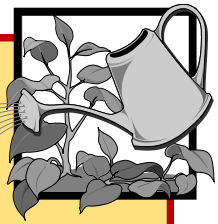

Lordship must be chosen carefully.
The one who boldly tries giving you freedom to be righteous, is not the same as those who use freedom to promote unrighteousness.

Today we can choose to serve God, honoring him in our lives including in our vote.

Finally, thank you for your prayers and support. Frantz' medical costs are now 100% covered!!

Thanks for walking with Seedtime!

It is not by accident that we have a right to vote.

In America, we've been given a day to vote... Nov 3rd

In Haiti, there have been no elections since **2016**. Supposedly they will hold elections this December, however gangs still keep people from campaigning in any real sense.

If allowed, Frantz will undoubtedly vote for Biblical values over personalities. Satan loves to appear as light and life.

Know God's values and vote them.
