Seedtime Update Nov 13, 2026

Seedtime and Harvest Ministry

Friends of Seedtime,

Bible Study: Frantz is scheduled to conduct a 3-day Bible study, 15 hours of class time, November 13,14 and 15, 2026 in a church in Port-de-Paix, Haiti. So, perhaps as you read this Update you might pray for their success. 14 students are expected. Many times these schedules get canceled at the last minute. So we too are anxious to see if this one actually happens.

Still NOT working: Haiti has postponed their political elections yet again. Nationwide elections planned for December are being moved to some unknown time in 2027. Gangs are the major reason they can't get the elections done.

Working, but not elected by the people: The mayor in Port-de-Paix, elected in 2016, the last real election in Haiti, retired and the Prime Minister of Haiti, elected by a combination of Caribbean and Haitian leaders himself, just chose 3 men to share in the responsibilities of the vacated mayor's seat. Haiti remains cobbled together without the voice of the people.

What *is* working in Haiti: Frantz keeps answering his phone as radio stations call for Bible teaching. Radio stations like RTG FM, Bethanie FM, Manacee FM, GH FM, Telebouje FM. He's been on 20 different stations, but these are the more regular places he teaches from.

Bible reading calendars continue to get distributed, dozens at a time, to targeted audiences that already have shown interest. Regular Bible reading has been a blessing to us, and we are certain this is a wonderful way to build a foundation of knowledge of God and his Word. ***R U, Friends of Seedtime, reading regularly? We hope so!***

Radio discipleship ads #1-9 have been played over and over on 2 different stations. Discipleship ads #10-13 have been recorded and the engineer is now mixing them, hopefully to perfection, and they will begin airing on stations at least by December. In our discipleship moments wise ol' Tonton Celibon speaks with young Christian lady, Ms Margo, to apply pieces of God's word to their personal lives.

Please.... DO NOT TAKE THESE OUTREACHES FOR GRANTED
These opportunities aren't always available.

We are delighted and thankful ...

- The phones ring, requesting Bible teaching.
- The calendars continue being popular among believers.
- The ability to produce and air discipleship ads exists in Haiti.

And we're thankful for those who choose to walk with us!

IN CHRISTIAN DISCIPLESHIP

Luke 16:11
If you are not faithful in the use of worldly wealth, who will entrust you with true riches?

It's been a key verse for us. No, not in America for fundraising, but in Haiti, to help Haiti understand the calling to be faithful is for them as well. There is no income limit, high or low. God wants faithfulness from all of his children.

We often look at this in combination with Luke 16:10. We'll leave that one for you to check out.

"While the Earth Remains,
Seedtime and Harvest,
Cold and Heat,
Winter and Summer,
And Day and Night
Shall Not Cease."
Genesis 8:22
